Aureon. Provides Quality Charity Grants to Iowan Communities

West Des Moines, IA – Aureon is pleased to announce that an Aureon Charity Grant has been awarded to City of Kalona. The grant was presented in conjunction with Kalona Cooperative Technology Company who sponsored the grant application. Upon reviewing an abundance of applications, the Aureon Charity Grant Committee delegated funds to projects committed to the betterment of local Iowan communities.

“Aureon believes in rewarding organizations, like City of Kalona, for their passion and dedication to advancing their neighborhoods. Their grant proposal reflects the organization’s enthusiasm for serving their community,” said Justyn M Miller, President, Aureon Technology. “Aureon looks forward to aiding future community-improvement projects and extends our best wishes to your community.”

Aureon, the new name for Iowa Network Services, created the grant program in 1993 to increase service and support to rural independent telecommunications companies and the communities they serve. The Aureon Charity Grant Program awards grants on a quarterly basis. Over the course of twenty-four years, Aureon has donated over \$950,000 to local communities and their surrounding areas.

About Aureon
